The screenshot shows the Cisco Webex website's download page. At the top, there is a navigation bar with the Webex logo, menu items (製品, 価格, デバイス, ソリューション, リソース), and buttons for 'ミーティングに参加' and 'サインイン'. A '無料で始める' button is also present. The main heading is 'Webex をダウンロード'. Below this, there are two buttons for 'Windows用のダウンロード (32ビット)' and 'Windows用のダウンロード (64ビット)', both highlighted with an orange box. A warning icon is to the left of these buttons. Underneath is the 'モバイルダウンロード' section, featuring 'Download on the App Store', 'GET IT ON Google Play', and 'Webex App for Android' buttons, along with a QR code. The '他のオペレーティングシステムのダウンロード' section has a 'ダウンロードオプション' dropdown menu. The '管理者用ダウンロード' section includes a link to '管理者用ダウンロードページにアクセス'. At the bottom, there is a section for '従来の Meetings アプリをお探しですか?' with a 'Download for Windows' button highlighted by an orange box and a dropdown arrow. Other mobile download buttons are also visible at the bottom. A warning icon is located to the right of the bottom section.
